

NDRRMC UPDATE

Sitrep No. **06** re Preparedness Measures and Effects of Typhoon "PEPITO" (International Name: Saudel)

Releasing Officer:

UNDERSECRETARY RICARDO B. JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 25 October 2020, 8:00 AM

Sources: DOST-PAGASA, DSWD, DILG, DOH, DOE, DepEd, OCDROs I, II, III, CALABARZON, MIMAROPA, VI, XI, CAR, and NCR

I. SITUATION OVERVIEW

19 October 2020

At 2:00 AM, the Low Pressure Area East OF Catanduanes has developed into Tropical Depression (TD) "PEPITO". It was forecasted to intensify over the West Philippine Sea and may reach severe tropical storm category by Friday (23 October 2020).

At 4:00 AM, the center of TD "PEPITO" was estimated at 820 km East of Virac, Catanduanes (13.1 °N, 131.8 °E), moving West Northwestward at 20km/h. It has a maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h.

At 11:00 AM, TD "PEPITO" accelerates westward while maintaining its strength.

Tropical Cyclone Wind Signal (TCWS) No. 1 was issued in the eastern portion of Isabela and the northern portion of Aurora.

At 11:00 PM, "PEPITO" continues to move west-northwestward over the Philippine Sea East of Bicol Region. **TCWS No. 1** was issued in Isabela, Quirino, Nueva Vizcaya, Kalinga, Mountain Province, Ifugao, Benguet, La Union, Pangasinan, Aurora, Nueva Ecija, Tarlac, Zambales, Bulacan, Pampanga, Bataan, Metro Manila, Rizal, the northern portion of Quezon including Polillo Islands, the extreme northern portion of Camarines Norte.

20 October 2020

At 1:00 AM, the center of Tropical Depression PEPITO was estimated at 260 km East Northeast of Virac, Catanduanes (14.4 °N, 126.5 °E), moving West Northwestward at 20 km/h. Its maximum sustained winds of 55 km/h near the center and gustiness of up to 70 km/h

At 10:00 AM, National Power Corporation issued the Notice on Dam Discharge Warning Operation informing that **Binga Dam** will release water from the Binga Reservoir. The spillway was scheduled to open at 3:00 PM. Meanwhile, PAGASA has commenced the Flood Precaution Period of the Dam Discharge Warning Operation for the **Magat River**

Basin as a large amount of rainfall is expected within the next 24 hours partly or wholly over the dam catchment area due to "PEPITO".

"PEPITO" **intensifies into a Tropical Storm** as it moves towards Isabela-Aurora area. It has a maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h.

At 5:00 PM, Tropical Storm (TS) "PEPITO" slightly intensifies as it increases its threat over Aurora province. It has a maximum sustained winds of 75 km/h near the center and gustiness of up to 90 km/h. **TCWS No. 2** was raised over La Union, Pangasinan, Ifugao, Benguet, Nueva Vizcaya, Quirino, Nueva Ecija, Tarlac, Aurora, the southern portion of Isabela, the southern portion of Ilocos Sur, the northern portion of Zambales, and the northern portion of Quezon including Polillo Islands. **TCWS No. 1** was raised over Abra, Kalinga, Mountain Province, Bulacan, Pampanga, Bataan, Metro Manila, Rizal, the rest of northern portion of Quezon, the rest of Ilocos Sur, the rest of Isabela, and the rest of Zambales. Meanwhile, TCWS No. 01 over Catanduanes and the northern portion of Camarines Norte is now lifted.

At 9:00 PM, **TS "PEPITO" made landfall over San Ildefonso Peninsula in Casiguran, Aurora.**

21 October 2020

At 1:00 AM, the center of TS "PEPITO" was in the vicinity of Bambang, Nueva Vizcaya (16.4°N, 121.0°E) and continues to track West-Northwestward over the Caraballo-Cordillera Mountains.

At 4:00 AM, "PEPITO" has crossed the rugged terrain of Northern Luzon and is now over the Lingayen Gulf.

At 8:00 AM, TS "PEPITO" was over the West Philippine Sea. **TCWS No. 2** was raised over La Union, the northern portion of Zambales, and the western portion of Pangasinan. **TCWS No. 1** was raised over Ilocos Norte, Ilocos Sur, the rest of Pangasinan, Abra, the western portion of Kalinga, the western portion of Mountain Province, the western portion of Ifugao, Benguet, the the western portion of Nueva Vizcaya, the western portion of Nueva Ecija, Tarlac, and the rest of Zambales.

At 11:00 AM, **TCWS No. 1** was raised over the western section of Pangasinan. TCWS no. 1 and 2 elsewhere have been lifted.

At 2:00 PM, "PEPITO" **intensified into a Severe Tropical Storm (STS)**. It has a maximum sustained winds of 95 km/h near the center and gustiness of up to 115 km/h, moving westward at 15 km/h.

The Magat Reservoir spillway opened at 4:00 PM in anticipation of heavy inflow due to continuous high inflow.

At 10:00 PM, STS "PEPITO" slows down while maintaining its strength. Its center was estimated at 305 km West of Dagupan City, Pangasinan (15.9 °N, 117.5 °E). All TCWS have been lifted.

22 October 2020

At 3:00 AM, the center of STS "PEPITO" was estimated based on all available data at 380 km West of Dagupan City, Pangasinan (16.3°N, 116.8°E) with maximum sustained winds of 100 km/h near the center and gustiness of up to 125 km/h. It is moving West Northwestward at 10 km/h

“PEPITO” intensifies into a typhoon and left the Philippine Area of Responsibility at 7:30 PM.

II. EFFECTS

A. AFFECTED POPULATION (TAB A)

A total of **34,980 families** or **165,763 persons** are affected in **265** barangays in Regions II, III, CALABARZON, and CAR. Of which, **7,010 families** or **31,358 persons** are being served inside and outside evacuation centers.

REGION / PROVINCE	AFFECTED			No. of Evac Centers	Inside Evacuation Centers		Outside Evacuation Centers	
	Brgys	Families	Persons		Families	Persons	Families	Persons
TOTAL	265	34,980	165,763	150	4,890	21,363	2,120	9,995

Baguio City	21 October 2020	22 October 2020	Baguio City EO 157, s. 2020

Sources: OCD ROs II and CAR

III. DISASTER PREPAREDNESS AND RESPONSE (TAB E)

A. PRE-EMPTIVE EVACUATION

A total of **184 families or 645 persons** were pre-emptively evacuated in Region II.

B. COST OF ASSISTANCE (TAB F)

A total of **₱3,239,923.00** worth of assistance was provided by DSWD and LGUs for the affected families in Regions II, III, CALABARZON, and CAR.

C. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and

- c. Conducted NDRRMC Meeting on 19 October 2020, 4:00 PM via video conferencing to discuss the weather updates and preparedness activities for TD “PEPITO”.
- d. Prepared the Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas:

EAWM	DATE / TIME	AREA
Red Rainfall	20 October 2020, 11:15 AM	Camarines Norte
Expected Landfall	20 October 2020, 5:45 PM	Aurora
Orange Rainfall	20 October 2020, 8:10 PM	Aurora and Quirino
Orange Rainfall	20 October 2020, 11:35 PM	Occidental Mindoro
Orange Rainfall	21 October 2020, 2:00 AM	Bataan and Zambales
Flooding in Maharlika Highway, Lopez, Quezon	21 October 2020, 1:00 PM	Quezon

D. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, VI, XI, CAR, and NCR are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

B. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- a. Maintained RED ALERT Status since COVID-19 response operations.
- b. Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDRs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- c. Conducted NDRRMC Meeting on 19 October 2020, 4:00 PM via video conferencing to discuss the weather updates and preparedness activities for TD "PEPITO".

2. DOST-PAGASA

- a. Presented weather updates during the NDRRMC Meeting on 19 October 2020.
- b. Continuous weather monitoring and provision of weather updates.

3. DENR-MGB

Issued the list of barangays susceptible to flooding and rain-induced landslides.

4. DILG

- a. CODIX continuously disseminated weather advisories and alerts from PAGASA to all DILG regional and field offices regarding the TS “PEPITO” thru emails and text blasts.
- b. DILG regional and field offices recommended to all concerned LGUs the following actions:
 - Consider early declaration of suspension of classes (and work, if necessary);
 - Coastal barangays in the Storm Surge Watch, as well as barangays which are in the list of high-to-very high susceptibility to landslides and floods to consider preemptive evacuation;
 - Restrict or ban tourist activities such as, but not limited to, mountaineering/hiking, spelunking, surfing, diving, etc., within their areas of jurisdiction during this period; and
 - Close monitoring of all road sections and highways with high-to-very high susceptibility to landslides.

5. DOH

- a. Raised code alert.
- b. Sent weather alert memorandum to all Centers for Health Development and BARMM Ministry of Health, and DOH-retained hospitals.

6. DepEd

- a. Monitored schools on their preparedness measures as per DO 83 s. 2011 and DM 108 s. 2016 and in connection to the ongoing COVID-19 pandemic.
- b. Disseminated advisories from DOST-PAGASA and IECs on Preparedness Measures for Tropical Cyclones, Storm Surge, and Flood to exposed and affected regions and divisions.
- c. Generated Rapid Assessment of Damages Report (RADaR) of the affected regions and divisions and advised them to facilitate the vetting of reports for the immediate provision of interventions.

7. DOE

- a. Alerted the members of Task Force on Energy Resiliency (TFER), pursuant to the Department Circular No. DC2018-01-001:
 - Activation of respective Operations Center;
 - Monitoring of the situation and undertake precautionary measures in respective area of responsibility;
 - Activation of action plans and / or contingency plans;
 - Adoption and implementation of mitigating measures; and
 - Regular submission of status of facilities / systems / areas as well as any emerging problem that may affect energy supply.

8. Civil Defense Action Group (CDAG)

- a. Activated CDAG Command Center due to intensified rainfall brought by PEPITO.
- b. Activated response resources for possible deployment.
- c. In coordination with Office of Civil Defense (OCD) and Quezon City DRRM Office.

C. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, VI, CAR, and NCR are continuously monitoring their areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC I

OCD I

- a. Issued RDRRMC Memoranda 32 and 33 re Raising of Alert Status to Blue and Blue to Red, respectively.
- b. Attended Response Cluster Meetings for PEPITO on 19 and 20 October 2020.

DILG I

Activated reporting and monitoring to PEPITO.

DSWD I

Prepositioned a total of 2,920 FFPs worth ₱1,245,136.18 and 14,500 non-food items worth ₱23,319,824.75 at different strategic locations.

DOH I

- a. Placed the Operations Center on Code White.
- b. Placed the Public Health Teams on standby mode and ensured the availability of equipment, supplies, drugs, and medicines for health emergency management.

DPWH I

- a. Activated the Regional/District DRRM Team.
- b. Prepositioned assets at staging areas.

MGB I

Disseminated the list of barangays that are susceptible to landslides and flooding based on the DOST -PAGASA Rainfall Data.

PIA I

- a. Disseminated information through text blast system and social media.
- b. Ensured for the conduct of situation gathering, reporting, and preparation of press release.

PRO I

Activated the Disaster Incident Management Task Group on 19 October 2020.

NFA I

Ensured the availability of rice supply.

BFP, PCG

Prepositioned response assets for possible deployment.

BFAR I

- c. Activated its Regional Command Center and Provincial Command Centers.
- d. Continuous monitoring of fisheries projects and production facilities.
- e. Ensured that preparedness measures were being observed and implemented by all operating units.

CGDNWLZN

- a. Ensured the readiness of its Deployable Response Group, personnel and equipment.

PDRRMC Pangasinan

- a. Raised alert status to Red effective 8:00 AM, 20 October 2020.
- b. Conducted PDRA via VTC on 19 October 2020, 5:00 PM.
- c. Placed the Incident Management Team on standby, and prepositioned the SAR Team and rescue boats.

MDRRMC Urbiztondo, Pangasinan

Conducted pre-emptive evacuation of residents in hazard-prone areas.

MDRRMC Agno

Agno Rescue Team conducted the “Bando” system to inform coastal barangays re precautionary measures.

MDRRMC Anda

- a. Activated its Emergency Operations Center
- b. Prepared evacuation centers and prepositioned rescue assets and equipment, food and non-food items, and medicines.
- c. Conducted roving to all barangays for information awareness and checking of early warning device status.

CDRRMC Alaminos City

- a. Raised its Alert Status to BLUE.
- b. Established an Incident Command Post in Cabrito St., Poblacion, Alaminos City, Asingan.
- c. Prepositioned all necessary rescue equipment and placed Alaminos City Response team on standby for possible deployment.
- d. Coordinated with the CDRRMC Response Cluster Agency Members, BDRRMC and BDRT.

MDRRMC Balungao

- a. Raised its Alert Status to Red on 20 October 2020, 8:00 AM.
- b. Placed all the WASAR Teams and equipment on standby ready for deployment.
- c. Prepared all the Evacuation Centers ready for pre-emptive evacuation.
- d. Coordinated with the BDRRMCs to monitor its respective AORs.

MDRRMC Bani

- a. Prepositioned non-food and food items, rescue assets, vehicles, and equipment ready for response operations.
- b. Conducted monitoring on the status of water level in all barangays.
- c. Conducted pre-emptive evacuation in the flood-prone areas.

- d. Provided food, shelter and medical assistance to the evacuees staying at the Municipal Evacuation Center.

MDRRMC Basista

- a. Activated the Basista Response Team and all Barangay Emergency Response Teams.
- b. Prepositioned rescue assets, equipment, supplies, and materials ready for response operations.
- c. Conducted a meeting with partner agencies and Barangay Officials.

MDRRMC Bayambang

Implemented its Preparedness Plan dubbed as Tropical Depression “PEPITO” from 19 October 2020.

MDRRMC Bautista

- a. Activated the EOC on 20 October 2020 for the possible effects of TD “PEPITO”.
- b. Placed its rescue assets and equipment ready to conduct disaster operations when needed.
- c. Continuous monitoring of low-lying and flood prone areas within the Municipality.
- d. Disseminated warning and advisories in all barangays through social media page and text messages.

MDRRMC Calasiao

- a. Prepared all evacuation centers for pre-emptive evacuation and prepositioned necessary rescue assets and equipment ready when needed.
- b. Coordinated with PNP, BFP Barangay Officials, and other stakeholders for immediate response actions if necessary.

MDRRMC Dagupan

- a. Raised its Alert Status to RED.
- b. Coordinated with CDRRMC, BDRRMC, and other partner agencies for emergency operations when needed.

MDRRMC Dasol

- a. Raised its Alert Status to BLUE.
- b. Placed responders on standby ready for deployment in case of emergencies.
- c. Alerted residents living in high risks areas against flash floods and landslides.
- d. Coordinated with the Battalion and Maritime Police for possible support team in case of emergency rescue operations.
- e. Advised all Punong Barangays to initiate pre-emptive evacuation to residents living in high risk areas.

MDRRMC Labrador

- a. Conducted the PDRA meeting with BDRRMCs and other stakeholders in the municipality.
- b. Placed all rescue assets and equipment ready for possible response operations.
- c. Activated its EOC and placed its SAR Teams with rescue equipment on standby.

MDRRMC Lingayen

- a. Raised its Alert Status to RED.
- b. Conducted the PDRA Meeting with partner agencies and stakeholders within the municipality.
- c. Prepositioned some food and non-food items including rescue assets and equipment ready for emergency operations.

MDRRMC Mabini

- a. Activated the MDRRMO Operations Center on 19 October 2020, 10:00 PM and convened a PDRA meeting on 20 October 2020, 3:00 PM.
- b. Placed all MDRRMC Clusters and MDRRMO Rescue Teams, WASAR Teams, and Clearing Operations Team on standby for immediate rescue operations.
- c. Prepositioned response assets, equipment, and vehicles ready for possible response operations when needed.
- d. Ensured the practice and observance of basic health protocols during response operations.
- e. Continuous monitoring on the status of Balincaguig River.

MDRRMC Malasiqui

- a. Activated the MDRRMC Operations Center for monitoring and reporting for TD "PEPITO".
- b. Conducted coordination meeting with PNP, BFP, MSWD and RHU personnel.
- c. Placed all necessary rescue equipment on standby for possible response operations.
- d. Continuous monitoring of low-lying and flood prone barangays.

MDRRMC Manaoag

- a. Conducted the PDRA Meeting on 19 October 2020, 4:00 PM and activated the Emergency Operations Center.
- b. Alerted and placed all MDRRM staff on standby ready for deployment.
- c. Prepositioned rescue vehicles, equipment, and other supplies ready for response operations.
- d. Continuous monitoring of bridges and all major rivers and its tributaries within the Municipality.
- e. Activated the Regional Evacuation Center of Manaoag for operations center.

MDRRMC Mangaldan

- a. Conducted a PDRA Meeting and raised its Alert Status to RED.
- b. Placed its WASAR, SAR Teams, rescue equipment, and vehicles on standby ready for rescue operations.

MDRRMC Rosales

- a. Raised its alert status to RED and activated the EOC on 20 October 2020, 5:00 PM.
